

LIBR 2419: Fieldwork II

Core Course

- Second practicum course
- W01 – Taught online
- Optional online workshops with guest speakers on career related topics, such as:
 - What are libraries are looking for when they hire?
 - How can students prepare themselves for work in different library settings?
 - What do library technicians do at these organizations?
- Grade is S or U (Pass/Fail)

LIBR 2419: Fieldwork II

Core Course

- January: one on one meetings
 - Please check your email through December
 - I will email you and ask you to sign up
- Jan onwards: Instructor will work on practicum placements
- Starting April: Students go to practicum experiences
- Practicums are 120 hours
 - Face to face
 - Online
 - Full time, mostly
 - Part time possible
 - Alternate Assignment is possible

Note: If you see any interesting **internship opportunities**, or **volunteer work** that looks comparable to a practicum opportunity, we are open to considering those as well

A **library job** may qualify in place of your practicum – must be at the lib tech level and you must have completed at least 120 hours – please reach out so we can discuss
