Introduction

Questions – there will be time after each speaker and then at the end.

Please add your question to the chat and Jordan will monitor it

- Please minimize “chit chat” on the main chat so that the questions don’t get lost

Introduction

We will be recording this session for those who can't attend or if you want to watch it again later

Jordan Zanni is standing in for Hyejin today and will be recording the session as well as keeping an eye on the chat and generally assisting where needed. Thanks Jordan!

We'll pause between courses, to give Jordan time to stop recording and start up again for each new course
